An intimate retreat with don Miguel Ruiz Jr. & don Jose Ruiz.

Join us for this wonderful experience where we will be focusing our teachings on the book *The Five Agreements* by don Miguel Ruiz, and incorporating it into the structure of a power journey.

The point of all of this work is to enjoy life. There are many facets in our every day experience that will allow us to express this joy. One of those ways is through the relationships we have with the people that are a part of our life, such as our family, friends, our beloved, everyone we know. In our family tradition, the Mastery of Love begins by bringing harmony into our most impactful relationship, the one with ourselves. This mastery gives us the opportunity to share that harmony with everyone in our life.

In the book *The Mastery of Love*, don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. On this power journey, his sons, don Jose Ruiz and don Miguel Ruiz Jr. will share their family’s Toltec tradition that gave shape to their father’s books, that will show us how to heal from our emotional wounds, and recover the freedom and joy that are a part of our birthright, thus restoring the spirit of playfulness that is vital for love to blossom in relationships.

We will cover:

- Why “domestication” and the “image of perfection” lead to self-rejection
- The war of control that slowly destroys most relationships.
- Why we learned to hunt for love in others, and how to release the love inside us.
- How to finally accept and forgive our selves and others.
- Discover the magical kitchen.
- Re-discover the love of your life.

In this powerful journey, don Jose Ruiz and don Miguel Jr., will teach you how to empower yourself and step into masterful levels of faith and authenticity. Their brilliant teachings will help you to move beyond doubt and let go of the lies that create emotional drama, victimization, and the limiting belief systems that programmed our “domestication”.

This life-changing program will help you to return to your innate wisdom, and live your life based on truth. They will help you understand that the agreements we make are ultimately about seeing our whole reality through the eyes of truth. The result of practicing these agreements helps you to move into complete acceptance of yourselves just the way you are, and the complete acceptance of everybody else just the way they are. The reward for doing that is your eternal happiness.

don Jose Ruiz and don Miguel Ruiz Jr. will teach you how to:

- Become aware of how you confuse what you know for who you are
- Gain awareness of how your agreements have created your reality
- Let go of the fear of what you are without your beliefs
- Let go of conditional love and embrace unconditional love
- Make New Agreements that are more in line with your true Authentic Self

Don't miss this life-changing opportunity to take your life to the next level.
